COCONUT CARBON

## PURIFY

## IMPROVE

## FINISH

### SEDIMENT FILTER

Removes dirt, dust,  
& suspended solids

### CARBON FILTER

Eliminates chlorine  
& improves taste

### ADVANCED OSMOSIS

5x faster and up to 5x more  
efficient than Reverse Osmosis.  
Removes impurities like lead,  
PFAS, herbicides, pesticides,  
micro plastics pharmaceuticals

### ACTIVATED OXYGEN

Natural sanitization & destroys  
viruses and bacteria

### ALKALINITY

Adds ten trace minerals  
to elevate alkalinity

### ELECTROLYTES

Adds key electrolytes to  
increase health benefits  
& improve taste

### COCONUT CARBON FILTER

Gives our water a crisp, fresh  
taste that people love more than  
even their favorite bottled water
